The "Domaine de la Giscle" is located in the southern part of France in the charming Côtes de Provence with ideal climate for viticulture. The "Audemard family" is the owner during four generations of this fantastic winery and visiting the vineyards of Domaine de la Giscle is an interesting voyage back in time witnessing the proud traditions of winemaking.

The blend of wine grapes makes this wine an enjoyable experience with the typical grapes from Côtes de Provence like Syrah, Mourvèdre and Grenache with a touch of Bordeaux thanks to the grape Cabernet Sauvignon. A perfect marriage of grapes.
